What we heard

- Art renovations are a priority as they are not currently functioning with access through a classroom
- Scenario 1 was preferred, where each department received some significant improvements.
 - Request for LPA to explore if less rehearsal halls, and renovate band hall and storage rooms instead.
- Preference for bond funds used for new learning spaces, in lieu of renovations that may be able to be fundraised for.
- CAT expresses desire for a larger bandhall if in budget.
