Maroon Family,

I hope you had a restful weekend and are ready to jump into another week of fun. I want to first thank our parents and basketball coaches for an awesome tournament that concluded this week. I also want to thank our PTSA for providing our teachers with much needed pampering days. As may have reviewed on our PTSA website, we have had several student athletes sign letters of intent to play college sports. We also continue to lead the way in the number of students that have been accepted into colleges and universities across the country. In addition, our academy travel experiences continue to provide our students with opportunities to extend the classroom. Finally, we hosted a very successful Maroon and White night for potential incoming students. Families had the opportunity to see what the Academies at Austin High have to offer. Below are a few reminders as we close out the fall semester.

The schedule for EOC retesting next week will be as follows:
