April 23, 2023

Good Morning Maroon Country. Hope you all had a wonderful weekend. I want to thank our awesome PTSA for hosting our annual “ALL IN” fundraiser last weekend. It was an amazing success and all efforts go to supporting the amazing students at Austin High. Congratulations to our historic Red Jackets dance team. Under the direction of Instructor Stephanie Braden, our Red Jackets Spring show was simply amazing. Our students also competed in UIL academics this weekend. I will have updates soon. A special congratulations goes to Jade Clack who was named Central Texas Player of the Year! Jade will be representing Maroon Country at Texas Christian University in the Fall. We had an awesome week of STAAR EOC testing. The remaining schedule is listed below.

### **Spring 2023 STAAR EOC Dates**

April 26—Bio/US HIS; Makeup day 4/28 (Schedule TBD)

May 3—Alg I; Makeup day (5/4) (Schedule TBD)

### **AHS Dedication Day -Friday May 12, 2023 8:30 am - 12:30 pm**

#### **What is Dedication Day?**

Held each spring, Dedication Day is observed as an anniversary celebration of the 1976 dedication of the Lakeside Campus. We consider Dedication Day to be the “official birthday” of the school. Distinguished Alumni and Honored Faculty are inducted into the Hall of Honor, AHS alumni Veterans are honored, and select seniors are inducted into the Maroon Society.

The purpose of Dedication Day is to “tie the new school to the old and the past to the present.” When the school was moved to its present lakeside location – in 1975 – students created a movement known as the Hall of Honor Student Steering Committee. The work of the student committee resulted in an annual observance – Dedication Day, and a reason for an annual observance – The Austin High School Hall of Honor, a roll call of distinguished and meritorious Maroons.

Dedication Day events include an archival display, an honoree induction ceremony, and the Grand Assembly. In the Grand Assembly, more than 200 former students, teachers and community guests join over 2000 students and 200 staff members for the coming together of Austin High past, present and future.

Austin High School's Current Events team placed first at regionals. We are going to State in Academic UIL. 🎉🎉🎉

Congratulations to Nathaniel Fagelson, Meyer Hirsch, Jake Yopez, and Max Francisco 🎉🎉🎉

TEAM WORK MAKES THE DREAM WORK!! #loyalforever

**Below is a description of safety drills conducted at Austin High School.** These drills are mandatory and reported to the district.

**Lockdown**

A lockdown drill trains staff and students to stay behind a locked door, shut the lights off, remain seated, remain quiet, and out of sight in case of a threat is inside the school.

**Shelter**

Shelter drills are used for emergencies such as a hazmat incident or bad weather (such as a tornado) and trains staff and students to seek shelter in a particular area of the building which is deemed safe. In a tornado this would be a portion of the building which is on the lowest floor, away from windows and doors.

**Secure (Lockout)**

A secure drill is used when there is a threat on the outside of the building. It teaches all staff and students to get inside, lock outside doors and conduct business as usual.

**Evacuate**

An evacuation drill teaches staff and students to exit the building quickly, safely, and efficiently. In a fire drill, students and staff are directed to go to rally points which are pre-determined and are a safe distance away from the building.

**Hold**

A hold drill teaches staff and students to remain where they are and continue business as usual. A 'Hold' would usually be called to clear the hallways for a medical emergency, physical altercation etc.

**Austin High's Ballet Folklórico will present its Gran Show de Primavera "Bajo la luna"** on Friday May 5th at 7pm in the PAC. There will be more than a dozen regions of dance presented and live mariachi performances. Admission is by donation at the door! Don't miss it!

## **Fentanyl Awareness**

Fentanyl continues to be a serious concern in our and surrounding communities... [Here is a link](#) to resources and webinars for educators, administrators, and parents.
