Good Morning Maroon Country! This coming week will be finals week. Below is our finals schedule. We will also be sending graduation information throughout the week. Salute will also be taking place this week, please see below for details. Last night was Prom 2023. All the students did great and had a lot of fun. Thank you to our prom committee and our senior sponsor Mrs. Charlise Johnson. Thank you to all the parents that served as chaperones. Special thanks to Dr. John Purser or as he was last night, DJ Purser. Have a great week.

Austin High 2023 Summer XC

Scan this QR code and join!

Interested in Austin High Cross Country for the Fall of 2023? There will be informal practices at Zilker Park at 7 am (usually until 8:15) Tuesday through Friday. We meet at the sand volleyball courts starting Thursday, June 1st. This is a great chance to meet all runners of different ability levels, develop fitness, and have fun getting ready for fall cross-country meets (which start as early as August 25th). Consistent cardiovascular development in a fun environment helps runners perform optimally. Please sign up using the QR code for a Band Account. We will be in contact with you about practices and if there are ever cancellations due to weather. You can also email us at: [austinhighcrosscountry@gmail.com](mailto:austinhighcrosscountry@gmail.com) or get to the Band link here:

**Below is a description of safety drills conducted at Austin High School.** These drills are mandatory and reported to the district.

**Lockdown**

A lockdown drill trains staff and students to stay behind a locked door, shut the lights off, remain seated, remain quiet, and out of sight in case of a threat is inside the school.

**Shelter**

Shelter drills are used for emergencies such as a hazmat incident or bad weather (such as a tornado) and trains staff and students to seek shelter in a particular area of the building which is deemed safe. In a tornado this would be a portion of the building which is on the lowest floor, away from windows and doors.

**Secure (Lockout)**

A secure drill is used when there is a threat on the outside of the building. It teaches all staff and students to get inside, lock outside doors and conduct business as usual.

**Evacuate**

An evacuation drill teaches staff and students to exit the building quickly, safely, and efficiently. In a fire drill, students and staff are directed to go to rally points which are pre-determined and are a safe distance away from the building.

**Hold**

A hold drill teaches staff and students to remain where they are and continue business as usual. A 'Hold' would usually be called to clear the hallways for a medical emergency, physical altercation etc.

**Fentanyl Awareness**

Fentanyl continues to be a serious concern in our and surrounding communities... [Here is a link](#) to resources and webinars for educators, administrators, and parents.

---

**Friendly Student Reminders**

- All faculty, staff, and students should have visible badges at all times. Students should not be allowed a bathroom pass without their ID.
- No passes out of class during the first and last 15 minutes of the block.
- Only Seniors are allowed to leave campus for lunch.
